RESULTS OF THE 1981 LITTLETON WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the tenth day of March next, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:00 P.M.), to act upon the following:

ARTICLE 1. To choose one Selectman for the term of three years, a Town Treasurer for a one-year term, one Park Commissioner for a three-year term, three Library Trustees for three-year terms, and one Trustee of Trust Funds for a three-year term.

- on ballot - election of officers of the Town.

ARTICLE 2. Do you favor the continuation of the Town Manager Plan as now in force in this Town? (This article inserted upon written application of voters.)

- on ballot- Voted in favor of - Yes -946 to No -572

ARTICLE 3. A. To see if the Town will vote to elect a Town Constable pursuant to the provisions of R.S.A.41:47. (Words "Town Constable" denote Police Chief.) B. Provided that Part A is passed, to have the Town immediately vote to fill the office of Town Constable by unofficial ballot. The Constable to serve until formal elections are held at the next Annual Meeting pursuant to R.S.A. 669:16. (This article inserted upon written application of voters.)

A motion was made by Marilyn Lavoie -A. To see if the Town will vote to elect a Town Constable pursuant to the provisions of R.S.A. 41:47. (Words "Town Constable" denote Police Chief.) I move that the vote be made by secret ballot. After some discussion, it was voted to stop discussion, and vote on the article. Ten people stood indicating that a secret ballot would be taken. The article was defeated by a secret ballot - 281 no, and 72 yes.

ARTICLE 4. To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court the concurrent resolution to amend the State Constitution to limit the annual increase in property

taxes to five percent and to limit the annual increase in spending by the State or any city, town, or other governmental unit of the State to five percent. (This article inserted upon written application of voters.)

A standing vote was taken, and the article was defeated by a 194 no to 105 yes vote.

ARTICLE 5. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, for Town Manager's Salary, General Expenses, Elections, District Court, Fixed Charges, Town Building, Police Department, Whitefield Airport, Civil Defense, Planning Board, Zoning Officer, Board of Adjustment, Animal Enforcement, Hospital, White Mountain Mental Health Center, North Country Home Health Agency, Senior Wheels Transportation, North Country Council, Health Officer, Fire Department, Forest Fires, Town Garage, Dump, Vital Statistics, Region Association, Sewers, Sidewalks, Streets and Highways, Town Road Aid, Highway Subsidy, Welfare, Old Age Assistance, Parks and Playgrounds, National Holidays, Community Center, and other necessary expenses.

ARTICLE 5. Before any vote was taken on the Town budget article, Town Manager James Hannigan announced that the proposed \$1,473,932.00 fiscal year 1981 final budget figure as published in the Town Report was increased to \$1,480,932.00. He informed the voters that \$15,000.00 was added to the town building maintenance account, \$6,200. for a police radio purchase and funds were deleted from the dump recycling account, the sewage treatment plant administration item and the total salary payroll step plan. Joseph Wiggett made this amendment. "I move that Article 5 be reduced by the amount of \$100,000.00 thus making the new total for Article 5 \$1,380,932.00. I move that this amendment be voted on by secret ballot." After some discussion, it was not determined where these cuts would be made. Dr. Richard Hill, Selectman, warned that the responsibility for reducing expenditures lies with the people who cut the budget. The article, as amended, was voted by secret ballot- yes-204 and no-147. Article 5 was adopted as amended.

ARTICLE 6. To see if the Town will vote to appropriate Eight Thousand Dollars (\$8,000.00) for a police cruiser and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

This article was approved by voice vote.

ARTICLE 7. To see if the Town will vote to appropriate Sixteen Thousand Dollars (\$16,000.00) for Public Works (spreaders) and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

Article 7 was approved by voice vote.

ARTICLE 8..To see if the Town will vote to appropriate Eight Thousand Dollars (\$8,000.00) for Fire Department (bunker gear) and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

This article was approved by the voters.

ARTICLE 9. To see if the Town will vote to appropriate Five Thousand Seven Hundred Fifty Dollars (\$5,750.00) for Town Hall fire alarm and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

This article was defeated - 171 no to 113 yes.

ARTICLE 10. To see if the Town will vote to appropriate Forty-five Thousand Dollars (\$45,000.00) for Beacon Street bridge and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

This article was approved by the voters.

Article 11. To see if the Town will vote to appropriate Three Thousand Dollars (\$3,000.00) for Dells dam and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

This article was approved by the voters.

ARTICLE 12. To see if the Town will vote to appropriate Fifteen Thousand One Hundred Dollars (\$15,100.00) for Community Center for building repairs and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

This article was approved by the voters.

ARTICLE 13. To see if the Town will vote to appropriate Five Thousand Five Hundred (\$5,500.00) for Pleasant Street repair (Pine Street to Gary's Drive) and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

This article was approved by the voters, and the work to be done by the Highway crew.

ARTICLE 14. To see if the Town will vote to appropriate Twenty-four Thousand Six Hundred Dollars (\$24,600.00) for Library renovations and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund.

Motion by Patrick Cullen. Amended Article 14 that only \$550.00 be appropriated from Revenue Sharing to build the fire escape previously agreed upon. \$5,500.00 was approved last year- so voted. (outside fire escape.)

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum not exceeding Thirty-five Thousand Dollars (\$35,000.00) for the purpose of publishing a Littleton Town History which will update the 1905 History in time for the 200th Anniversary of the Littleton Charter in 1984 and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund, and further authorize and direct the Board of Selectmen to invest said sum and from time to time use and expend the principle and interest accrued from the investment of said sum for the aforesaid purpose. This project is intended to be self-liquidating with all proceeds from the sale of the books and donations from civic groups, individuals and corporations to be returned to the Town.

This article was approved by voice vote.

ARTICLE 16. To see if the Town will vote to authorize the expenditure of the sum of Seventy-five Thousand Dollars (\$75,000.00) for the purpose of constructing headworks facilities at the Littleton Sewage Treatment Plant, said sum to be raised as follows: Town and State funds \$18,750.00: State to reimburse the Town the sum of \$15,000.00: Federal funds up to \$56,250.00: and to raise and appropriate the Town and State shares by the issuance of Serial Bonds or Notes not to exceed \$18,750.00, under and in compliance with the provisions of the Municipal Finance Act or of any other enabling authority, and to authorize the Selectmen to issue and negotiate such Bonds or Notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such Bonds or Notes as shall be in the best interests of the Town of Littleton, and further, to authorize the Selectmen to file an application for Federal Grant Assistance and to allow the Selectmen to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act, as amended (33 U.S.C. Section 1251 et seq.) and pass any vote relating thereto.

This article was postponed indefinitely, by voice vote.

ARTICLE 17. To see if the Town will vote to appropriate a sum not to exceed Three Hundred Thousand Dollars (\$300,000.00) to construct a 9,600 square foot building for use as a fire station and to authorize the Selectmen to select and acquire the land necessary for such fire station. Further, to raise One Hundred Thousand Dollars (\$100,000.00) of said funds by the issuance of Serial

Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (New Hampshire R.S.A. 33, 1 et seq. as amended) and to authorize the Selectmen to issue and negotiate such Bonds or Notes and determine the rate of interest thereon, and take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such Bonds and Notes as shall be in the interest of the Town.

Motion by Ronald Marsh, to amend this article. "I move that the Town vote to appropriate a sum not to exceed \$100,000.00, and to authorize the Selectmen to purchase land for a fire station and to hold such funds in trust until further action is taken." Amount had to be reduced in order to comply with legal requirements because no public hearing was held on the \$300,000.00 proposed appropriation. Amendment by Paul McGoldrick -" to direct the Selectmen to establish an ad hoc Littleton Citizen committee (7 members, one of whom shall be the Fire Chief, and one of whom shall be one of the Selectmen), for the purpose of bringing to the next Town Meeting (March 1982) a definite proposal for relocation of the Littleton Fire Dept. and equipment to a permanent location. The Committee should have access to town funds, not to exceed \$25,000.00 for the purpose of land options, preliminary architectural drawings, and other similar reasonable expenditures." Article 17, with amendment, was then approved 124 to 48.

ARTICLE 18. To see if the Town will vote to appropriate a sum not to exceed Forty-Thousand Dollars (\$40,000.00) for the purpose of acquiring real estate adjacent to the Littleton Industrial Park located within the industrial zone: and further, to authorize the Selectmen to take such actions as may be necessary to effect such purchase and to authorize the Selectmen to sell and convey in whole or in part the real estate so acquired at any time in the future on such terms as shall be in the best interests of the Town and to take such other actions as may be necessary. This appropriation to be specifically contingent upon the Town receiving the aforesaid sum by means of a grant or grants from the Federal Government.

This article was approved by the voters- 85 to 37 vote.

ARTICLE 19. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to appoint a Deputy Treasurer, said Deputy to be sworn, and to have the powers of the Treasurer, and to be subject to removal at the pleasure of the Treasurer, all in accordance with R.S.A. 41:29-a.

This article was approved.

ARTICLE 20. To see if the Town will vote to close two

certain unnamed roadways created by layout on January 7, 1928, recorded in Vol. 21, Page 238 of the Littleton Town Records; said roadway running adjacent to and beneath the former Alexander Casket Co. and Connors and Hoffmann buildings presently occupied by Kell-Tronics Corporation, and further to authorize the Board of Selectmen to convey the said roadways by quitclaim deed.

This article voted in the affirmative.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to sell and convey the property acquired by the Town by Tax Collector's Deed, the sales to be by public auction or by advertised sealed bids, or in such other manner as justice may require as determined by the Selectmen.

This article was amended to read- To authorize the Selectmen to sell and convey the property acquired by the Town by Tax by Tax Collector's Deed, the sales to be by public auction or by advertised sealed bids. Approved.

ARTICLE 22. To see if the Town will vote to authorize the Board of Selectmen to borrow monies, from time to time for current indebtedness of the Town for the ensuing year in anticipation of taxes to be collected for the year 1981 and to be paid therefrom.

Voted in the affirmative.

ARTICLE 23. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or other governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in R.S.A. 31:95-b.

Voted in the affirmative.

ARTICLE 24. Voted to choose any other necessary Town Officers for the ensuing year, and to choose and elect any Agents or Committees which may be necessary.

Article 25. To transact any other business that may legally come before the meeting.

Passed.

Given under our hands and seals this 13th day of February 1981.

LYLE E. BULIS
RONALD C. MARSH
RICHARD L. HILL

SELECTMEN OF LITTLETON,
NEW HAMPSHIRE

LITTLETON WARRANT
The State of New Hampshire

To the inhabitants of the Town of Littleton, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Town Hall on the ninth day of March, being the second Tuesday of March, at eight o'clock in the forenoon (the polls are to open at 8:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the High School Auditorium at 7:00 P.M.), to act upon the following:

ARTICLE 1. To choose one Selectman for the term of three years, one Park Commissioner for a three-year term, a Town Treasurer for a one-year term, three members of the Board of Trustees of the public library for three-year terms, one Trustee of Trust Funds for a three-year term, a Moderator for a two-year term, and one Supervisor of the Checklist for six years. (Ballot vote)

ARTICLE 2. Are you in favor of repeal of the zoning ordinances as proposed by petition of the voters of this Town? (By petition in accordance with RSA 39:3, 39:3-c, and 31:63-c.) (The Planning Board disapproves.) (Ballot vote)

ARTICLE 3. Are you in favor of the adoption of Amendment No. 1 to the zoning ordinance as proposed by petition of the voters of this Town as follows?

ESTABLISH SPECIAL EXCEPTION FOR TEMPORARY DWELLING OF RELATIVES, DEPENDENTS OR EMPLOYEES WITHOUT SUBDIVIDING IN RESIDENTIAL AND RURAL ZONES AND WITHOUT ZONING CHANGE IN COMMERCIAL AND INDUSTRIAL ZONES:

Amending (Square brackets indicates matter to be deleted, underlined text indicates matter to be added)

1. Table of Use Regulations, page 12, Littleton Zoning Ordinance, a new line reading:

<u>Temporary dwelling of relatives,</u>	R-1	R-2	C	R	I
<u>dependents or employees</u>	<u>S</u>	<u>S</u>	<u>S</u>	<u>S</u>	<u>S</u>

2. ARTICLE XIV, Definitions, page 16 of Littleton Zoning Ordinances a new definition reading:

14.35 Temporary Dwelling of relatives, dependents or employees. Any structure separate or attached, which: meets dwelling habitability standards; is sited in conformance with set-back, space, and other relevant standards in Littleton Zoning Ordinance; is used to temporarily provide rent free housing for relatives, dependents, or employees of the property owner in a situation where subdivision or a zoning change is undesirable is reviewed annually by the Littleton Planning Board to insure compliance with all provisions of the exception; and shall be removed or converted to a permitted use at the end of the approved occupancy or prior to transferral of the property.

(The Planning Board disapproves this amendment.) (Ballot vote)

ARTICLE 4. Are you in favor of the adoption of Amendment No. 2 to the zoning ordinance as proposed by petition of the voters of this Town as follows:

ESTABLISH MOBILE HOMES AND MANUFACTURED HOUSING IN ZONES RESIDENTIAL I AND RESIDENTIAL II AS A USE PERMITTED BY RIGHT .

This adjustment amends Line 5 in the Table of Use Regulations, Page 12 of the Littleton Zoning Ordinance to read:

Single Mobile Home (providing it meets with all the requirements of a single family dwelling)	R-1 X	R-2 X	C -	R X	I -
---	----------	----------	--------	--------	--------

(The Planning Board disapproves this amendment.)

ARTICLE 5. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

(To change the definition of and the table of use regulations for Automotive Repair Shop.)

a. Change in Table of Use Regulations:

- "Automobile Repair Shop" changed to read "Automotive Repair Shop." Delete sentence in parentheses.
- Change commercial zone from "X" to "S"

b. Change para. 14.09 Automotive Repair Shop to read as follows:

Building where gasoline, oil, grease, batteries, tires and automotive accessories are sold at retail; minor servicing and repairs are made; and cold drinks, candy, tobacco and similar goods may be sold. Outdoor storage of motor vehicles that are both inoperative and unregistered is not permitted unless screened from view. (Ballot vote)

ARTICLE 6. To see if the Town will vote to raise and appropriate a sum not to exceed \$475,000 for the purpose of purchasing certain real property located at 60-64 Union Street and known as the "Edson Berry property", so-called, from the owners thereof and for the purpose of constructing a town building thereon for use as a fire station and/or other appropriate town purposes and to authorize the selectmen to raise said \$475,000 by the issuance of Serial Bonds or Notes under and in compliance with the provisions of the Municipal Finance Act (RSA 33.1 et seq. as amended) and to authorize and direct the Selectmen to issue and negotiate such bonds or notes and determine the rate of interest and other terms thereon and take such other actions as may be necessary to acquire said real estate, to construct said town building, and to effect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interests of the town. (By petition in accordance with RSA 39:3.)

ARTICLE 7. To see if the Town will vote to transfer the balance of the Capital Reserve Fund, including accumulated interest thereon, from the Town of Littleton trust funds and apply said funds toward the cost of purchasing real property and constructing a town building for use as a fire

station and/or other appropriate purposes, leaving to the discretion of the Selectmen and trustees of said town trust funds the exact timing of said transfer and to authorize the Selectmen and trustees of the town trust funds to take such actions as may be necessary to effect said transfer and application of funds as shall be in the best interests of the town. (By petition in accordance with RSA 39:3.)

ARTICLE 8. In the event that the Town fails to vote by a two-thirds margin Article 6 of this Warrant, to see if the Town will vote to appropriate the sum of \$33,000 for the purpose of bracing and otherwise repairing the existing apparatus floor, so-called, of the town building which is currently being occupied by the Town Fire Department.

ARTICLE 9. Are you in favor of the construction of the High Voltage Direct Current Line as proposed by the New England Electric Transmission Corporation within the Town of Littleton? (By petition in accordance with RSA 39:3.)

ARTICLE 10. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, General Expenses, Elections, District Court, Fixed Charges, Town Building, Police Department, Fire Department, Whitefield Airport, Civil Defense, Planning Board, Zoning Officer, Board of Adjustment, Hospital, White Mountain Mental Health, North Country Home Health Agency, Senior Wheels, North Country Council, Town Garage, Town Dump, Sewers, Sidewalks, Streets and Highways, Town Road Aid, Highway Subsidy, Welfare, Old Age Assistance, Parks and Playgrounds, National Holidays, Community Center, and other necessary posted expenses.

ARTICLE 11. To see if the Town will vote for the following resolution:

Today the United States and the Soviet Union alone possess enough nuclear weapons to destroy the major population centers of the world in a very short time. We are compelled to exercise responsibility for our environment and all creation. We believe in the value and sanctity of human life. We recognize the medical impossibility of treating, housing and feeding the millions of victims as a result of nuclear holocaust.

Rather than permit this dangerous future to happen, and believing there is no justification for the use of nuclear weapons on any peoples under any circumstance, we call on the nations of the world, the Soviet Union and the United States to adopt an immediate, mutual freeze on all further testing, production and deployment of nuclear weapons, and of missiles and new aircraft designed primarily to deliver nuclear weapons.

We, by vote of Littleton Town Meeting (March 9, 1982) call upon members of the N.H. Congressional Delegation to support or co-sponsor a resolution in the U.S. Congress calling for President Reagan to propose to the Soviet Union and all nations possessing nuclear weapons a joint nuclear arms freeze.

(By petition in accordance with RSA 39:3.)

ARTICLE 12. To see if the Town will vote to appropriate \$11,000 for the purpose of subsidizing ambulance services provided by Ross Ambulance Service in the Town of Littleton.

ARTICLE 13. Shall the powers and duties of the office of Collector of Taxes be transferred from said office to that of Town Manager? (Ballot vote)

ARTICLE 14. To see if the Town will vote to appropriate a sum not to exceed \$9,000 for the purpose of purchasing a police cruiser and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 15. To see if the Town will vote to appropriate \$38,646 for the purpose of purchasing two trucks for the Public Works Department and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 16. To see if the Town will vote to appropriate \$2,800 for the purpose of purchasing four Scot Air packs for the Town Fire Department and to authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 17. To see if the Town will vote to appropriate \$5,528 for the purpose of purchasing a police base radio and two mobile radios and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 18. To see if the Town will vote to appropriate \$5,200 for the purpose of constructing a foundation and for the purchase of building materials to construct a recycling building at the town dump and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 19. To see if the Town will vote to appropriate \$5,000 for the purpose of conducting a feasibility study concerning the construction of the Bridge Street bridge and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 20. To see if the Town will vote to appropriate \$6,825 for the purpose of making repairs and renovations to and purchasing equipment for the town library and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 21. To see if the Town will vote to appropriate \$15,900 for the purpose of purchasing a new chain, a vacuum pump, and a unit heater for the town sewage treatment plant and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 22. To see if the Town will vote to appropriate \$7,000 for the purpose of purchasing a spreader for the Town Highway Department and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 23. To see if the Town will vote to appropriate \$2,000 for the purpose of purchasing a push frame for a snowplow and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 24. To see if the Town will vote to appropriate \$5,250 for the purpose of purchasing 1,500 feet of 2½ inch Angus fire hose for the Town Fire Department and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 25. To see if the Town will vote to appropriate \$30,000 for the purpose of paying the principal which will be due on November 1, 1982 on the Town Sewer Bond Note and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972.

ARTICLE 26. To see if the Town will vote to appropriate a sum not to exceed \$6,379 to be paid to the White Mountains Region Association.

ARTICLE 27. To see if the Town will vote to appropriate a sum not to exceed \$10,000 to be used by the Littleton Outing Club for the purpose of purchasing and installing a T-bar ski lift facility on Mt. Eustis.

ARTICLE 28. To see if the Town will vote to authorize the Selectmen to repair and replace the Town parking meters and further to authorize the Selectmen to expend such moneys as may be necessary from the parking meter fund for said purposes and for the purpose of maintaining said parking meters.

ARTICLE 29. In the event Article 28 of this Warrant is voted down, to see if the Town will vote to authorize the Selectmen to transfer any and all moneys being held in the parking meter fund to the general fund surplus.

ARTICLE 30. To see if the Town will vote to authorize the Selectmen to transfer the balance of the Christmas lighting fund to a Main Street Beautification and Christmas Fund and further to authorize the Selectmen to expend such funds as they may, in their discretion, deem appropriate for the purpose of beautifying Main Street.

ARTICLE 31. To see if the Town will vote to disapprove of the siting of the proposed 450 KV DC transmission line in the Town of Littleton unless and until it has been shown essential to meet the present and future need for power in New Hampshire and will be so designed, constructed and maintained to avoid any adverse effect on the persons and property of the citizens of this Town. (By petition in accordance with RSA 39:3)

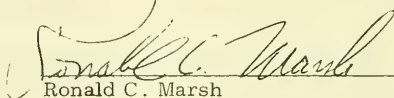

ARTICLE 32. To see if the Town will vote to authorize the Selectmen to sell and convey the property acquired by the Town by Tax Collector's deed, the sales to be by public auction or by advertised sealed bids, or in such other manner as justice may require as determined by the Selectmen.

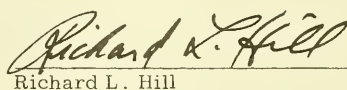

ARTICLE 33. To see if the Town will vote to authorize the Selectmen to borrow moneys, from time to time, for current indebtedness of the Town for the ensuing year, in anticipation of taxes to be collected for the year 1982 and to be paid therefrom.

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source or bequest which becomes available during the fiscal year in accordance with the procedure set forth in RSA 31:95-b.

ARTICLE 35. To transact any other business that may legally come before the meeting.

Given under our hands and seals this 12th day of February, 1982.

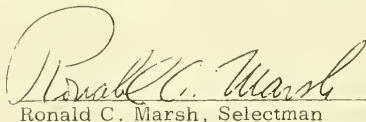

Ronald C. Marsh

Richard L. Hill

Vonley M. Ruggles

SELECTMEN OF LITTLETON, N. H.

I, RONALD C. MARSH, one of the Selectmen of said Town, depose and say that on the 12 day of February, 1982, I posted copies of the within Warrant at the Town Building, at the High School, and at the Post Office in said Littleton, duly attested, and that to the best of my knowledge and belief said notices remained posted until the day of the meeting.

Ronald C. Marsh, Selectman

STATE OF NEW HAMPSHIRE
GRAFTON, SS.

February 12, 1982
~~March~~

Then personally appeared the above-named RONALD C. MARSH and made oath that the foregoing statements by him subscribed are true.

Before me,

Notary Public

Board of Selectmen
Town Hall
Littleton, New Hampshire 03561

We have examined the financial statements of the Town of Littleton for the year ended December 31, 1981, listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records as we considered necessary in the circumstances.

The financial statements of the Littleton Water and Light Department for the year ended December 31, 1981, have not been included in the accompanying financial report. However, another firm of auditors has been engaged to audit that department's financial statements for the year ended December 31, 1981.

The Town of Littleton has not maintained a record of its general fixed assets, and accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial statements. The Town of Littleton has not prepared budgets for the special revenue funds as required by generally accepted accounting principles. Accordingly, the financial statements do not include budgeted amounts for the special revenue funds.

In our opinion, except for the effects of the omission of a statement of general fixed assets, the omission of the statements of the Littleton Water and Light Department as discussed in the preceding paragraphs, and the omission of special revenue budgets, these financial statements present fairly the financial position of the Town of Littleton at December 31, 1981, and the results of its operations and changes in financial position for the year then ended, in accordance with generally accepted accounting principles applied on a basis consistent with the preceding year.

The accompanying supplemental information is not necessary for a fair presentation of the financial statements, but is presented as additional analytical data. This information has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above, and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Very truly yours,

David J. Driscoll & Company
Certified Public Accountants

TOWN OF LITTLETON
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1981

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the Town of Littleton conform to generally accepted accounting principles applicable to governmental units, except as indicated hereinafter. The following is a summary of significant accounting policies.

Basis of Accounting

The accrual basis of accounting is followed by the Trust and Agency Funds. The General Fund and Special Revenue Funds utilize the modified accrual basis of accounting whereby revenues are recorded when measurable and available and expenditures are recorded when the liability is incurred.

General Fixed Assets

As is the usual practice in the State of New Hampshire, fixed assets are not capitalized in the accounting records when acquired. Funds used to acquire general fixed assets and/or make the debt service payments on borrowings in connection therewith are accounted for as expenditures in the year payments are made. Generally accepted accounting principles require that general fixed assets be capitalized and accounted for in a separate fixed assets group of accounts.

Continued Appropriations

Appropriations for certain projects and specific items not fully expended at year end are carried forward as continued appropriations to the new year in which they supplement the appropriations of that year. At the year end, the continued appropriations are reported as a component of the fund balances and are detailed as follows:

General Fund

Christmas Lights	\$ 9,593	
Equipment & Maintenance -		
Fire Department	1,050	
Fire House Study Committee	<u>22,978</u>	<u>\$33,621</u>

Special Revenue Funds

Revenue Sharing		
Town History	\$35,000	
Library Paintings		
Restoration	615	
Town Building Improvements	10,600	
District Court		
Bail Deposits and Partial		
Payments	<u>11,089</u>	<u>\$57,304</u>

Investments

Investments in marketable securities are carried at cost.

Taxes Collected for Others

The Town collects taxes for Littleton School District and Grafton County which are remitted to them as required by law. These funds are accounted for in the general fund.

TOWN OF LITTLETON
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1981

Inter-Fund Transactions

During the course of normal operations, the Town has numerous transactions between funds including expenditures and transfers of resources to provide services, construct assets and service debt. The accompanying governmental and fiduciary funds financial statements reflect such transactions as transfers.

Retirement System

Members of the Police Department and Fire Department are automatically members of the New Hampshire Retirement System. Membership is voluntary to members of the Highway Department and Town Offices. Under this plan, participants contribute annually a percentage of compensation which is fixed by law and dependent upon age when contribution begins. The Town's contribution rate for normal cost of the plan is based upon an actuarial valuation of the state plan. In addition the Town is contributing to the Special Legislative Annuity being paid monthly to retired employees in accordance with RSA 100-A. The amount, if any, of the excess of vested benefits over pension fund assets for the Town of Littleton is not available. The Town has no past service cost obligation. The total pension cost to the Town for the year was \$30,861.

Property Taxes

Annually, the Town establishes an amount for abatement, discounts and refunds of property and resident tax revenues known as "Overlay". All abatements, discounts and refunds are charged to overlay.

As prescribed by law, the Tax Collector sells at tax sale, all uncollected property taxes in the following year after taxes are due, where applicable. The purchaser at tax sale has a priority tax lien on these properties and accrues interest at 12% per annum. Delinquent taxpayers must redeem property from tax sale purchasers.

Property is sold to the party who will accept a lien for the least undivided interest in the property for payment of taxes and related costs due. If property is not redeemed within the two-year redemption period, the property is tax deeded to the lienholder.

NOTE B - PURPOSE OF FUND AND ACCOUNT GROUPS

The Town reports its activities in numerous individual funds to comply with the limitations and restrictions placed on both the resources made available to the Town and the services provided. Individual funds and account groups summarized in the accompanying financial statements are classified as follows:

A. Governmental Funds

These funds are intended to provide recurring general services. They are controlled by a budget approved by the voters.

TOWN OF LITTLETON
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1981

General Fund - used to account for all revenues and expenditures which are not accounted for in other funds or account groups.

Special Revenue Funds - used to account for specific restricted revenues and expenditures for various purposes. Receipts and expenditures of each fund are governed by the terms of contractual agreements, statutes or local law.

B. Fiduciary Funds

Trust and Agency Funds - these funds are used to account for assets held by Town in a fiduciary capacity for various purposes including cemetery operations. Receipts and expenditures of each fund are governed by statutes or local law.

NOTE C - GENERAL LONG TERM DEBT

General long term debt is summarized as follows:

	Interest Rate	Original Amount	Issue Date	Maturity Date	Outstanding Balance
Sewer Bonds	3.10%	\$630,000	1963	1983	<u>\$ 60,000</u>

General long term debt transactions for the year ended December 31, 1981 are summarized below:

Long Term Debt Outstanding - January 1, 1981	\$109,600
Maturities	49,600
New Debt	<u>-</u>
Long Term Debt Outstanding - December 31, 1981	<u>\$ 60,000</u>

Aggregate maturities of the general long term debt for the four years subsequent to December 31, 1981, are as follows:

1982	\$30,000
1983	30,000
1984	None

At December 31, 1981, the Town has voter authorization to issue the following additional general long term bonds or notes:

Sewer Sytem Evaluation Survey - 1980	\$15,000
Sewage Plant Headworks Facilities - 1979	62,500
Sewage Plans and Specifications - 1977	70,000

TOWN OF LITTLETON
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1981

NOTE D - CONTINGENT LIABILITIES

The Town is contingently liable in respect of law suits and other claims in the ordinary course of its operations. The Town is defendant in a significant suit arising from claims over a construction contract. The settlement of such contingencies under the budgetary process would require appropriation of revenues yet to be realized and would not materially affect the financial position of the Town at December 31, 1981.

NOTE E - CAPITAL PROJECTS FUND

The Town received a Community Development Block Grant of \$400,000 for the Mill Street area development and townwide rehabilitation project in 1980. At December 31, 1981 the \$78,880 fund balance in the Capital Projects Fund represents the unexpended balance of that grant.

STATEMENT OF TOWN MANAGER

In the four months I have served as Town Manager, I have worked to make the Town Government more responsive and effective. I believe good progress has been made. I thank the Board of Selectmen and the Town of Littleton for the opportunity to do so.

My objectives for 1982 include:

Completion of the present Community Development Grant, getting a second grant to complete the Mill Street Renewal Project, work in support of zoning and helping to improve, where necessary, to make it more effective. Improve the economy of the Town, in whatever direction is best for the Town. Get the new dump operating plan approved by all necessary agencies, thus improving our dump. Improve our volunteer recycling program. Constantly work to make Littleton a better place to live and to improve the effectiveness of the Town Government.

Respectfully submitted,

HAROLD R. SANDERS
Town Manager

LITTLETON DEPARTMENT OF
PUBLIC WORKS AND HIGHWAYS

STREETS AND HIGHWAYS:

From January 1981 on there was little snowfall; therefore, time was used keeping ditches, culverts, and basins open, cutting brush and wood. The wood was used at the Town Garage for use in the furnace.

During the Summer months the TRA Project on Mt. Eustis Road was completed. Oiling was continued to help keep our streets and roads from breaking up more. This work will continue in 1982. Catch basins were cleaned and repaired. This is a continual project. The grader worked on the gravel roads, and crushed gravel was hauled to these roads to try to keep them up for good traveling.

The sweeper was out in the Spring, cleaning up, and periodically thereafter.

The ditching project continues, and the material was hauled to the dump for cover. We also hauled about 3600 cubic yards of sand for Winter use.

We constructed a pole shed behind the Town Garage to store the new sanders and part of the salt, as we cannot use the salt shed on the dump road as we have done in the past.

We spent about three weeks repairing the dam at the Dells.

The month of December has been a very busy time, plowing, sanding, salting and removing snow due to the heavy snowfall. We also tore down the Auction Barn on the Mill Street Project.

SIDEWALKS:

The sidewalks were repaired on Pleasant Street, from Main Street to Oak Hill Avenue, and on the other side to Cross Street. We put in a new sidewalk from Pine Street to Gary's Drive. A stone wall was built in front of the Southard property in back of the sidewalk. The roadway was rebuilt.

DUMP:

A number of trailer loads of cardboard and newsprint were loaded out this year; 2000 yards or more of cover were hauled in this year from the Mt. Eustis pit.

SEWERS:

We installed (12) new septic systems and replaced (2) septic tanks, as the old tanks were rusted and did not work. We rodded and flushed several lines and helped cleaning of the settling basins at the Treatment Plant several times.

Respectfully submitted,

WILLIAM J. BEDOR
Superintendent of Public Works

LITTLETON POLICE DEPARTMENT REPORT

Over the past year, the Littleton Police Department has undergone several major changes, including, but not limited to: the establishment of new radio dispatch system, reporting systems documents, time study system for patrol functions, establishment of photo, fingerprint and juvenile files, along with Criminal Information and Intelligence file and new Rules and Regulations, General Orders and Policy and Procedures, to bring a smoother flow of action by the police in the enforcement of the law and somewhat less confusion to the individual police officer.

During the year 1981, the Littleton Police made a total of 577 arrests. These included 347 motor vehicle arrests, 205 criminal arrests and 25 juvenile offenses. Speeders, as usual, lead the arrests list in motor vehicle offenses with 157, followed by D.W.I. with 42, operating uninspected vehicle with 28, and unregistered motor vehicle with 26. There were 91 breathalyzer examinations performed by the Police Department. Of these, there were 64 male offenders and 13 female offenders and 14 persons who refused the test. Out of these, there were 50 residents and 41 non-residents. The majority of these offenders fell in the 21-25 year age group; the majority of which fell in the B.A.C. reading of .16% to .20%.

There were a total of 236 accidents investigated by the Littleton Police Department, including 212 motor vehicle, 7 motorcycles, 11 bicycles and 6 pedestrians. There were a total of 32 injuries and fortunately, no fatal accidents. Of the accidents investigated, there were 132 which fell in the 2 car category, 75 one car and only 6 involving three or more cars. There were 216 male operators and 117 female operators. The majority of these accidents occurred between 10:00 a.m. and 1:00 p.m. and at 4:00 p.m. in the afternoon. Most occurred on Thursday, Friday and Saturday on straight, dry roads, in the 30 m.p.h. speed zones. The average age of the majority of these operators fell in the 21-30 age bracket.

During 1981 there were 205 criminal arrests. Of these, Fraud accounted for 18, Larceny or Theft, 17; Assaults, 17; Burglary, 10; Narcotics Possession, 10; and Sale of Drugs, 5. There were 2 arrests for Arson and Conspiracy and 2 Sex Offenses and 124 arrests in less serious categories. In the Larceny-Theft category there was a total of \$49,275.00 worth of cash and merchandise stolen; of this amount \$7,901.00 was recovered.

There was a reduction in the juvenile crimes category with 25 juvenile arrests for 1981 against 37 during 1980. Of these, there were 6 Burglary arrests, 4 Theft and 3 involving drugs and related offenses. This shows a marked reduction over 1980 in the categories of Burglary with 200% reduction and Narcotics with 250% reduction; a trend we will work hard to continue.

There has been a rebuilding of the Littleton Police Department over the past year which will continue in the future. The majority of that rebuilding has been completed and we can now get on with the business of Law Enforcement. However, we recognize that we are only as effective as the information we receive from informants and concerned and involved citizens. Only with your help, can we truly hope to take a big bite out of crime.

We, the members of the Littleton Police Department wish to extend our best wishes to all the citizens of Littleton, for a joyous and healthy new year.

Respectfully submitted,

Marshall L. Hopkins
MARSHALL L. HOPKINS, SR.
Chief of Police

LITTLETON FIRE DEPARTMENT REPORT

The department has responded to 151 emergency fire calls during the 1981 season. We are happy to report, as we reviewed the fires of the season, that the major structural damage in the town has been kept to a bare minimum. The department is proud of its quick response time and the effectiveness on the initial hit on fires.

Engine 4, the new 1980 G.M.C. pumper, is working excellent. We have run it for two seasons now and are pleased with its performance. We have had no complaints or complications with the truck.

The 1969 Jeep pick-up purchased from the army has been all gone over and put in running condition. It has been freshly painted red. This job was done by the firemen at Bob Morris' shop. We are now in the process of putting a 275 gallon water tank and portable pump in the back body. This vehicle will be used mainly for grass and brush fires, but with the portable pump and reserve water tank, it makes its options of use much greater. The truck should be in full operational use come spring. This will then allow us to put the Willis Jeep, used now for forest fires, up for sale.

The department is also working on another project which is finding a more efficient way of moving our four-inch hose. Right now it is housed on Engine 1, Old Bertha, which is located in the rear of the building and makes for a slow way of getting this hose out of the building. We have received a reel with no cost to the town which can be used for transporting and storing the hose. The options now are figuring out whether to mount it on one of our trucks or to use a trailer. We are strongly thinking of building a portable trailer.

The department has also been very interested and somewhat involved with the building committee for the new fire station. We would like to state that we as a whole feel the time and needs have definitely come for the building of a new fire station.

Again, in closing, the Littleton Fire Department would like to extend a fire safe year to all in 1982.

Respectfully submitted,

RICHARD MACKAY
Fire Chief

CIVIL DEFENSE REPORT

The February thaw and heavy rains caused extensive damage along the Ammonoosuc River. State Civil Defense officials were immediately called in to help assess the damage, and as a result of the evaluation, long-term, low-interest, SBA loans were made available to property owners affected.

In October, a simulated radiological accident was coordinated to test the combined readiness of the police, fire, hospital, and ambulance services. The exercise was a success, and a great deal of healthful information was exchanged as a result.

Respectfully submitted,

WILLIAM J. LATULIP
Civil Defense Director

LITTLETON ZONING OFFICER'S REPORT 1981

The 1981 report for Littleton shows 152 permits issued, income received \$760.00.

This year was the year of demolition, the Mill Street Project; former Grey Tourist Cabins of Cottage Street; a building on corner of Mt. Eustis Road and Cottage Street; the Allen Farm, and others. Gravel pit permits were numerous due to road construction activities.

Permits were issued for new homes, tool and wood sheds, fences, barns, garages, swimming pools, general remodeling and signage.

There are indications that in the spring of the year, commercial building will be started in the Industrial Park and commercial zone.

Respectfully submitted,

THELMA GIRARD
Zoning Officer

THE LITTLETON PLANNING BOARD

The Littleton Planning Board seems to have acquired mostly new members for 1981. Bill Hight and myself are the only members with more than one or two years experience.

New Members now include Chan Aldrich from 1980. John Hall, John Young and most recently King Covey all appointed this year. Roger Armstrong, Roland Taylor and George Riach all resigned during the year.

The number of new subdivisions seems to be at an all time low, which is indicative of the slump in the housing industry in general. The Planning Board approved only 9 subdivisions compared to 21 in 1980. Permits were requested for 3 new gravel pits for use on Interstate 93.

During the summer of 1981 a new Bill (SB 279) was signed into Law and although it's intent is to prevent a town from excluding Mobil Homes, the wording of the Law is so ambiguous it is very difficult to interpret.

As near as can be determined, Littleton does comply with this new law without changing the present Zoning Laws.

This is the first year since I have been a Planning Board member that there has been an effort to do away with Zoning entirely. The Planning Board feels this is due to a need for changing the Zoning Laws to suit the general public better, and a lack of enforcement for those who do not follow the Zoning regulations.

Hopefully Zoning will be kept in the town and money is being set aside to conduct citizen polls in order to get as much input as possible regarding changes in the Zoning regulations.

The Planning Board meets the First Wednesday of every month at 7:30 PM in the town building. Anyone contemplating a subdivision should get all the information possible to the Planning Board for a preliminary hearing and in most cases will get Final Approval by the next meeting.

Respectfully submitted

Robert A. Poulsen, Chairman
Littleton Planning Board

LITTLETON WATER AND LIGHT DEPARTMENT REPORT

During the year 1981 the Water and Light Department accomplished various projects that have benefited both the Department and most importantly its customers.

The Department moved its administrative offices from 34 Main street to 30 Lafayette avenue. This relocation proved out to be very economical because of the fact of having the Department all under one roof plus the savings in rent, insurance and heat. With this new move the Department also provided its customers with more convenient parking space. For those customers who wanted to continue paying their bills on Main street, the Peoples Bank offers this service.

Other major projects completed are as follows:

1. The Department purchased its own computer which reflects a savings on rental fees and also helps the office function in a more modern and up to date business operation.
2. Half rates were given to all electric customers for the month of December.
3. All the electrical substations were inspected and repairs were made to any mechanical weaknesses.
4. A new roof was put on Lafayette avenue headquarters by Department employees.
5. To conserve heat, the two pumping stations were insulated by Department employees.
6. A new switching apparatus was installed into the Department's transmission line making electric outages less frequent.

Along with the above mentioned accomplishments the Department did its regular work maintaining its electric and water facilities plus installing new electric and water lines and services.

Respectfully submitted,

JOHN L. CASSIDY
Superintendent

LETTER OF TRANSMITTAL

Board of Water and Light Commissioners
34 Main Street
Littleton, New Hampshire 03561

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Littleton Water and Light Department for the year ended December 31, 1981.

One of the enclosed audit reports must be given to the Town Clerk for retention as part of the permanent records.

The provisions of Chapter 71-a, Section 21, requires that the auditors' letter of transmittal shall be published in the next annual report of the Town. Publication of the Exhibits contained in this audit report is optional at the discretion of the Board of Selectmen. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the Littleton Water and Light Department for their assistance during the course of the audit.

Very truly yours,

Martin & Thomas,
Public Accountants

LITTLETON WATER AND LIGHT DEPARTMENT

Certificate of Audit

We have examined the accounts and records of the Littleton Water and Light Department for the year ended December 31, 1981.

Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Littleton Water and Light Department at December 31, 1981, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to government entities, applied on a basis consistent with that of the preceding year.

Very truly yours,

Robert H. Thomas CPA
Martin & Thomas,
Public Accountants

LITTLETON PUBLIC LIBRARY REPORT

This has been a busy and exciting year at the library with the people of Littleton borrowing 48,340 items. While research was being done for the forthcoming Littleton Town History, the traffic in and out was a steady flow of people who hadn't used the library for years. There was a festive atmosphere of old friends meeting and working together on a project.

The focus of all this attention was the new microfilm reader printer donated to the library by the Littleton Historical Society. This allowed people to make paper copies of "Littleton Courier" articles on microfilm.

The New Hampshire Library Commission gave a grant of \$7,345 to the North Country Library Cooperative to fund a project called "Mind Your Own Business." Most of the money will go towards the purchase of a collection of business materials to be housed at the Littleton Library. In addition, workshops will be held on computer applications for small businesses. The library hopes to obtain a computer for public use through grants and donations.

Many local artists exhibited their works at the library. Beth Simon had a display of hand-woven tapestries depicting local mountain scenes. John MacIver lined the walls with some photographs, including one of Edward Lewis -- a regular at the library. Joanne Gilbert hung a lovely series of watercolors and pencil sketches.

We had four displays by local groups -- TEMPO Workshop, the North Country Athletic Club, and one on nutrition prepared by Kathleen Searls, a registered dietician, and a display of world globes made by Barbara Johnson's fourth grade class.

The fire escape was added on to the second floor of the library. It is reassuring to have another exit from the Children's Room in case of an emergency.

Several annual events were continued, including the Craft Show, Bookmark Contest, and August Book Sale. The Summer Reading Program broke all records when 148 children finished by reading at least 12 books each. The Summer Reading Program wouldn't have been such a success without the help of Norton Pike Company, The Saver's Bank, The Village Book Store, Jax Jr. Theater, and Hobby Land.

With the help of a grant from the New Hampshire Commission for the Arts, the North Country Library Cooperative sponsored two excellent programs for children: "Two-headed Cow" and "The Parish Players." Area children (and adults) enjoyed both shows.

It has been a good year and I would like to thank Sally Haskell, Ellen Morrow, and Pat Stillings for making everything work, Charlie Hodge for keeping us neat, Jean Taylor for knowing how to type, Stanley Fillion, David Enderson, and David Trahan for putting those 48,340 circulating books back on the shelves.

Respectfully submitted,

KATHRYN T. WENDELOWSKI
Librarian

REPORT OF THE LITTLETON HOSPITAL

In our efforts to serve the needs of the residents and visitors to the Littleton area, the hospital provided more than 15,000 patient days of service in 1981. 2,556 patients were admitted and 229 babies were delivered. Almost 9,000 individuals were treated in the Emergency Room. Of these totals, 4,225 were residents of the Town of Littleton.

The increased levels of service and care were provided without adding personnel to our staff. The hospital has made further efforts to coordinate special types of care with Mary Hitchcock Hospital in Hanover. Building on the example of the highly successful Tumor Clinic, the hospital has recently established dermatology and genetics clinics. Skilled specialists in these fields visit Littleton to provide care which saves many patients considerable travel expense and time.

During the year we expended some \$80,000 to purchase new capital medical equipment. These new acquisitions enable us to keep pace with technological advances and thus continue to offer the best possible care. We made major improvements in surgical, laboratory, cardiac and EEG capabilities. The hospital also improved its information systems and data processing equipment.

Major improvements were made to conserve energy throughout the facility.

The Hospital Auxiliary opened eligibility for their Scholarship Program to adults wishing to pursue a health career related education. Members of the auxiliary and other community members provide valuable volunteer services to patients and staff of the hospital. Volunteers greet and escort patients and visitors as well as assisting in the delivery of patient services such as the book cart, hospitality cart, TV service, gift shop and car safety seat program for infants.

During the past year we received an overwhelming vote of confidence (98% positive) from our patients who returned their questionnaires regarding all aspects of hospitalization. The patient's personal view of his/her care is central to our quality assurance evaluation process.

A community hospital flourishes in an environment of community support. We are progressing as a direct result of the support we receive from the Town of Littleton and all of its residents. We look forward to continuing to serve the health care needs of your community with professional skill and personalized warmth.

Respectfully submitted,

LEROY DEABLER
Executive Director

WHITE MOUNTAIN MENTAL HEALTH CENTER AND T.E.M.P.O. WORKSHOP
Director's Report
January - December, 1981

WHITE MOUNTAIN MENTAL HEALTH CENTER

Services Provided:

1. Outpatient Counseling - we have our central office in Littleton and three satellite offices to help extend the availability of our services. The services offered include individual counseling, marital therapy, family therapy, group therapy, and children's services.
2. Aftercare - providing services to patients discharged from New Hampshire Hospital. This includes counseling, day activities and psychiatric follow-up to assist this population in returning to their communities.
3. Emergency Services - a 24-hour, 7-day a week program that meets the needs of those individuals requiring immediate crisis care.
4. Inpatient Care - hospitalization is provided with the cooperation of our local hospitals.
5. Social, Psychological and Psychiatric Evaluations - services which are provided to schools, court, state and federal agencies.
6. Psychiatric Consultation - consultation provided to individual clients, schools, courts, physicians and local hospitals.
7. Alcoholism Services - including direct service to clients, as well as consultative and preventive programs.
8. Sponsorship of DIAL - a drug information and hot-line center which frequently functions as a drop-in center.
9. Consultation and Education - indirect service to other health care providers. These include case consultation and in-service training to hospital personnel, schools, headstart, courts, nursing homes and boarding homes.

T.E.M.P.O. WORKSHOP

T.E.M.P.O. is a rehabilitation facility which offers service to the developmentally and physically impaired. During 1981, we increased the number of clients served by approximately 23%.

Services Offered:

1. Work Activities - a program for severely impaired clients. This includes work-related activities, teaching skills which are essential in daily living and general activities.
2. Sheltered Workshop - this program is best described as sheltered employment. A work environment is structured such that it meets the needs of the individual client. The clients are paid for the work they perform. Additionally, we provide training around necessary skills for independent living.
3. Work Adjustment - this program is designed to place the client in an independent work situation.

I hope that this information is helpful in giving you some insight into the services provided by our Agency. We are a non-profit organization affiliated with Northern New Hampshire Mental Health Center. We have an Advisory Council with a broad geographic representation. Three of our Council Members sit on the 12-Member Regional Board of Directors for Northern New Hampshire Mental Health Center.

Respectfully submitted,

DENNIS C. MacKAY
Area Director

NORTH COUNTRY HOME HEALTH AGENCY, INC.

Services provided to North Country Residents in 1981:

<u>Clinics</u>			
Nursing Care	4572 Visits	Well Child & Immunization	28
Physical Therapy	504 Visits	Attendance: 485	
Speech Therapy	86 Visits	Handicapped Children's	5
Home Health Aide	4833 Hours	Attendance: 101	
Homemaker	2020 Hours	Dental Screening	6
Family Assistant	2602 Hours	Attendance: 212	
Newborns and Mothers	92 Visits	Genetics Counselling	1
Health Promotions	316 Visits	Attendance: 2	
		Adult Health Screening with Lions Clubs	4
		Attendance: 201	
		Employee Blood Pressure	3
		Attendance: 157	

North Country Home Health Agency provides health services in the home for those who are ill; it also provides public health activities aimed at prevention and early intervention of disease.

Treatment measures include Nursing visits following hospitalization, and care of the acutely ill as well as the chronically ill. Physical Therapy and Speech Therapy are available for homebound patients. The Homemaker/Home Health Aides work with the nurses and therapists to assist with personal care and light housekeeping, and other health related services designed to keep people independent in their own homes. A Hospice program for care of the terminally ill at home, using trained volunteers, is underway.

The Family Assistant program's purpose is to help parents strengthen child-rearing skills and cope with family related problems.

Services aimed at prevention include all clinics listed above, visits to newborns and mothers, and Health Promotion visits for the assessment of needs or condition. The Clinics are held in Littleton and North Haverhill, as well as Lincoln and Lisbon, and are available to all in our service area. No charge is made for any of these activities.

North Country Home Health Agency serves 15 towns from its main office at 60 High St., Littleton, and satellite offices in Lincoln and Woodsville.

Service to Littleton Residents for 1981: 1357 Nursing Visits; 321 Physical Therapy Visits; 18 Speech Therapy Visits; 2008 Home Health Aide hours, 910 Homemaker hours, 98 Health Promotions and 20 visits to Newborns and Mothers.

Respectfully submitted,
JOAN M. COLLINS
Business Manager

LITTLETON PARK COMMISSIONERS REPORT

1981 marked another successful year for the Parks and Playgrounds program in Littleton. Areas of activity include: a youth basketball program (Scott Golden Basketball), skating rinks at Remich Park and Apthorp Common serving both public skating and a youth hockey program, Mt. Eustis ski tow, tennis courts at Remich and Apthorp, a summer softball program as well as fields serving school and youth baseball programs, the public swimming pool, a summer youth recreational program, and fields serving school football and field hockey programs.

Changes and improvements during 1981 included lighting at the Apthorp rink to allow nighttime skating, improved lighting at the Remich rink, complete painting of the pool, removal of the old tower at Apthorp, purchase of a new tow rope for Mt. Eustis, and general maintenance and repairs of the buildings and grounds.

The Commissioners would like to take this opportunity to express their appreciation to the many volunteers whose help is invaluable in maintaining the many recreational activities. We would also like to thank the citizens of Littleton whose support is so important to the success of our programs.

Respectfully submitted,

TOM ALT, Chairman
RICH MILLEN
JOHN SIMON
Littleton Park Commissioners

THE LITTLETON CONSERVATION COMMISSION

Members of this Commission are appointed by the Selectmen. They are currently: Carleton Schaller, Jr., Chairman; Barbara Ashley; David Gilpin; Patrick Lally; Carol Nichols; Steve Plant; and Paul Shaw.

The Commission has as its primary function overseeing the management of the Dells and developing a land use management program for Kilburn Crag. Plans for 1982 include drawing up a new brochure containing information about the Dells and the Crag which will be available to tourists as well as to area residents. A trail marker off Route 18 directing the way to the foot path to the Crag is also planned.

In 1981 the Commission granted a scholarship to Gregory Lloyd of Littleton to attend the Conservation Camp of the Society for the Protection of New Hampshire Forests. Efforts will be made in 1982 to support one or more young persons interested in the camp program.

The Commission has indicated its readiness to assist the Selectmen in appropriate public education announcements relative to action by the Town in implementing a recycling program. The Chairman has had several meetings with the Town Manager to discuss a possible information campaign.

The Conservation Commission continues to receive Dredge and Fill Applications in accordance with State statutes.

The Commission continues to maintain its membership in the New Hampshire Association of Conservation Commissions.

Respectfully submitted,

CARLETON SCHALLER, JR.
Chairman

COMMUNITY DEVELOPMENT OFFICE REPORT

Thanks to cooperative interaction with business and civic groups, social service agencies, and area business firms, Community Development activities have proved successful. The infusion of \$400,000.00 Housing & Urban Development, Community Development Block Grant Funds into the Littleton economy provided jobs through area building contractors and building suppliers. Services were obtained from local real estate, legal, and insurance firms alike.

Downtown improvement efforts focused on the Mill Street Project particularly, with attempts to integrate Community Development efforts with the Littleton Industrial Development Corporation, the Business and Industrial Task Force, and local business activities. The public sector investment into the Mill Street area has an objective of spurring private interest and investment into continued downtown revitalization.

More specifically, the initial public sector activity included the acquisition of six properties and the relocation of project residents and businesses. The infamous "Auction Barn" building behind the St. Andrew's Inn, identified as the key property, sought to pave the way toward a through street, was among those properties purchased. Successful relocation required long and careful hours to insure that the families and businesses were moved to replacement residences and business sites. Acquisition and relocation services were professionally coordinated by Ms. Carol M. Imrie, in conjunction with the Director.

Preliminary Site Plan and Design Work for the Mill Street Project was completed by Mr. Per O. M. Walstad, Planner for the Town through this office. The Plan describes the street improvements, provisions for forty-five parking spaces, pedestrian traffic, and truck unloading zones. The natural scenic beauty of the Ammonoosuc River is emphasized through a nature trail and green park area with a gazebo stage for outdoor events. Citizen and business persons participated in the planning process by attending meetings and by completing a downtown merchant survey sheet. The Plan was submitted to the Town Manager and to the Board of Selectmen. Further interest has been indicated by business, civic, and citizen groups to seek more Community Development Block Grant dollars to fund the actual site improvements.

Through the Housing Rehabilitation Program the repair of nineteen housing units in Littleton has been accomplished. In one construction season the program was designed, with a staff person hired and trained. Mr. William O. Cushing, Jr., Rehabilitation Director, started in April, 1981. He coordinated the repair work with the participating homeowners, contractors, and building suppliers. This program has proved to be very popular, with many more customers on the waiting list. The repaired homes in the Housing Rehabilitation Program area, specifically in the Urban Compact Area of town, were evenly spread throughout the area.

Future housing efforts in another program would be designed to further improve the housing opportunities for Littleton residents. These could include more Housing Rehabilitation Grant Programs, a home repair revolving loan fund featuring low interest rates. Or, home ownership could be promoted in a self-help construction program, with homeowners building their own homes. Community Development funds can be used to purchase the land to write down the land development costs for the homeowners. Often, a nonprofit corporation sponsors this type of housing activity. Another housing program effort to be considered is a revolving loan fund to finance substantial rehabilitation of existing structures.

This Town has many concerned and hardworking citizens who are working consistently to maintain and improve the quality of life in Littleton. Improvement to the economy is a constant concern addressed by Town officials and the business and civic groups. It is important to work in a comprehensive manner while addressing these economic concerns. Public facilities, the downtown, and the housing stock can be simultaneously approached. The Community Development Office is an integral part of the team approach. There is a place for more Community Development Block Grant Funding in Littleton to assist in this comprehensive effort, maintaining and improving Littleton as a good place to live and to work.

LITTLETON COMMUNITY CENTER, INC.

1981 OFFICERS, DIRECTORS AND COMMITTEES

TERM: January 22, 1981 to January 28, 1982

President	Winston Merrill
Vice President	Everett Poore
Treasurer	Frances M. Heald
Secretary	Marlene Baker

Directors elected at the Annual Meeting, January 22, 1981 for a term of three years

Mrs. Marlene Baker
Mrs. Hazel Bronson
Mrs. Margaret Buffington
Miss Frances Heald
Mr. Everett Poore

Directors for a term of two years

Mr. Thomas A. Golden
Mrs. Merle Grout
Mrs. Velma Harris
Mr. Hubert Merrill
Mr. Winston Merrill

Directors for a term of one year

Mr. Robert E. Bowker
Mr. Raymond Carbonneau
Mr. John W. Farr
Miss Mary Heald
Mrs. Amy G. Stillings

Hostess

Ann Fillion* Stella Harris

Custodian

John Fillion* David Harris

*Resigned August 30, 1981

LITTLETON COMMUNITY CENTER, INC.

For sixty-two years the Community Center has been serving the people of Littleton as a public meeting place. It has been used by several organizations and the Chamber of Commerce. The demand exceeded the room availability. The purpose of the Center is to operate and maintain a non-profit for the advancement of the general welfare of the people both young and old.

In August it was with regrets that we accepted the resignation of Ann and John Fillion as hostess and custodian. Both had done an excellent job in caring for the Center the past seven years. We wish them and their family the best in their new home.

The Personnel Committee, headed by Mrs. Hazel Bronson, selected Stella and David Harris to become the new hostess and custodian. We hope everyone will assist in making their job a pleasant one.

Under the Revenue Sharing Fund, we were able to shingle the Community House roof, apply new exterior white vinyl siding, and paint the trim and upper third floor outside. With this being done, it has again made the buildings a show place of the Community.

The Property Committee, with Everett Poore as chairman, has made other major improvements and repairs including the front porch and steps, electrical wiring repairs, exit and emergency lights, and the Community House sign at the street entrance was repainted.

The House Committee, under the direction of Mrs. Amy Stillings, had new carpeting installed for the upstairs hall and in two other upstairs rooms. New furniture was purchased for one upstairs room. After many repairs, the vacuum cleaner again gave out, and a new one was purchased. In compliance with the State Fire Regulations, NO SMOKING signs have been posted in both buildings. The valuation of the buildings certainly could not be replaced in case of fire, also no smoking cuts down on the cleaning and costly repairs to the carpets and furniture resulting from sparks. We thank all smokers for their co-operation.

Through the generosity of Mary and Frances Heald much needed new drapes and a new Persian rug now adorn the dining room. Again the room has that warm homey feeling and we thank the Heald sisters for making it so.

Efforts to cut costs as much as possible have been made by our Financial Chairman and Treasurer, Frances Heald. Through her efforts we are now able to purchase our oil through the Town and School discount rate. Discounts for supplies have also been received to further help on finances. In August, we had a barn sale of items that were no longer of use to the Center. Some of these items had been in the attic for years. Money realized from the sale was used to buy one of the carpets and the vacuum cleaner.

We were very fortunate this year to receive two legacies to go with our Trust Funds, namely from Mildred Silsby and Helen Bean Fastman. These were the first such gifts from estates that we have received in over thirty years. Others in past years came from Charles and Hattie Bingham, Charles and Katherine Henrey, Chester Meacham, and Ray T. Gile. From the Trust Funds, we receive interest on the principle. We hope others might keep this in mind as the Center does need money to operate on.

As we look towards the future we know that we will need more space or meeting areas for the public to use. We are in hopes that there will be finances so we can put a fire escape to the third floor so that that hall can be again used. Also, there is a possibility that the second floor of the Annex could be made into a meeting room or rooms.

The Annual Meeting of the Community Center is the last Thursday in January and we invite all to come and participate, especially those that use the facilities at the Center regularly. We want to thank everyone who has helped by making donations, gifts, and keeping the buildings, when you use them, as you would your own. Special thanks to the Garden Club for filling the window boxes with beautiful summer flowers and decorating the house with greens during the Yule season; to the White Mountain Grange for filling and maintaining the window boxes on the Annex and for the two cement picnic tables at the side of the Annex for Community use. Thanks also to the Town Highway Department for plowing snow in the parking area, and to everyone who has helped to make this Center a place the Community can be proud of.

Respectfully submitted,

WINSTON H. MERRILL
President

WHITE MOUNTAINS REGION ASSOCIATION REPORT

The Region Association, through its promotional programs and activities, imports needed revenues to the local/regional economies. There are many examples where businesses, for example, have received hundreds of dollars of business via Region Association promotional programs.

Region Association produced travel revenues help your community's finances via the business profits tax, the room and meals tax, and, in many instances, via the real estate tax.

By appropriating to its Region Association, Littleton is helping: a) provide jobs; b) improve the tax base of their community.

Considering other benefits of vacation travel/recreation which your Region Association is charged to promote, a) it helps add the numbers of people needed to support state parks, restaurants, motels, inns, museums, shopping areas, even our churches through attendance at services and church fund raising events. b) WMRA generated travel/recreation revenues help pay for salaries, equipment, maintenance services, property improvement and expansion. And in return the travel/recreation industry uses less supported services. c) The industry is a leading force in preserving the region's natural environment. d) Socially, it provides more services and things to do for the people of the region, and it provides an interchange of ideas among different people and different cultures, and this adds to the growth of our citizens.

The Region Association undertakes cooperative advertising programs which complement what other area businesses and attractions are doing individually.

In fiscal 1980-81 the Region Association answered over 4,000 inquiries from potential visitors. In many instances these inquiries were converted into real business. It also sent our numerous press releases emphasizing fall foliage would be excellent.

The Region Association speaks out on issues which affect the economy and well-being of the region. This past September the Region Association appeared in a New York Times article in

which it denied media reports that gypsy moth caterpillars had spoiled fall foliage in the White Mountains. Regarding legislative issues, the more that communities and businesses support its Region Association the greater is the WMRA's clout and effectiveness before the N.H. Legislature when it goes before that body in support of legislation to protect the communities' share of room and meals tax, business profits tax revenues, etc..

Through its promotional and planned public relations programs, the Region Association will help to build a positive image of the White Mountains which translates into needed revenues. By appropriating to its Region Association, communities are contributing to the region's most important promotional tool in attracting visitors to the area, that of the White Mountains.

Finally, the Region Association, will, upon appropriation, include a paragraph in its visitor brochure about Littleton. Such inclusion helps to promote a more active, dynamic, impression upon those who plan to visit this region/locale.

Respectfully submitted,

WHITE MOUNTAINS REGION ASSOCIATION

EDWARD G. PINKERTON,
Executive Director

LITTLETON AREA HISTORICAL SOCIETY REPORT

The Littleton Area Historical Society continued an active, ongoing year with seven meetings and numerous projects from April of 1981 thru November of 1981.

In June, Littleton hosted a most successful meeting with the Association of Historical Societies of New Hampshire attended by over 100 members from all parts of the state.

Programs of local historical interest were enjoyed by members and guests. All meetings are open to the public.

The annual membership drive brought many new members, and the goal to acquire a reader-printers for the library for public use in researching the updating of the Town's history to be published in 1984 was successful through the efforts of Reginald Colby and a grant from the New Hampshire Charitable Fund.

The society was pleased to be associated with a local archaeological project, "The Hill Street Pest House" with Janet Tewksbury as Project Director. A joint project was completed with the Littleton Pride Committee and the North Country Historical Foundation to photograph and record the history of 12 architectually important buildings with the intent to promote future tourism in the downtown area.

The Society's Museum, located in the basement of the library, provided information to over 400 visitors Wednesdays and Fridays from 2-5 P.M. Significant contributions in 1981 continue to enhance our collection of memorabilia.

House plaques are available at a nominal cost to townspeople wishing to date their homes old or new.

The society has actively supported the updating of the town history, and is grateful to all who have given of their time and effort.

Respectfully submitted,

Mrs. Sandra E. Hamilton

NORTH COUNTRY COUNCIL TOWN REPORT

The North Country Council has assisted the Town of Littleton and the Littleton Industrial Development Corporation with the marketing of the Industrial Park and in the Park expansion by preparing applications for both a HUD CDBG of \$24,000 and EDA 304 grant. The Council has participated in numerous meetings of the LIDC and Chamber's Industrial Task Force. The Council has also worked with the planning board by providing amendments to the subdivision regulations, information on a gravel pit ordinance. NCC also assisted the Town with solid waste planning and energy saving activities.

The past year was a busy one for the Council in terms of providing a variety of information and technical assistance to the towns in our region. For nine months, the Council had an active Business Development Program with a staff member contacting industries in southern New Hampshire and northeastern Massachusetts to discuss the characteristics and advantages of the region's growth centers and labor force. As a result, several companies expressed serious interest in locating their industries in the North Country. The Council was very active in other aspects of economic development including initiation of an industrial park study in Lancaster and providing assistance to the Littleton Industrial Development Corporation in expanding their Park. An application was prepared and submitted to the Economic Development Administration for a \$600,000 Revolving Loan Fund to help finance the location of industries in growth center communities.

The mainstay of our assistance to towns has been community planning. The Council staff met throughout the year with planning boards, boards of adjustment, and master plan committees to discuss solutions to local community issues -- such as zoning, subdivision review, sign, parking and mobile home regulations, recreation, and more. The Council organized a seminar for Coos County towns on the subdivision review process in April. After the amendment of the subdivision law during the recent legislative session, we sponsored three subregional seminars on the new procedure for subdivision review. Fact sheets on both the new mobile home law and the new subdivision law were prepared and sent to the planning boards and selectmen.

In the areas of solid waste, the Council continues to provide assistance to numerous communities by helping them find cost-effective solutions to the solid waste problem, such as sanitary landfill, incineration, and resource recovery. The Council has also worked with legislators to draft appropriate amendments to the recently-passed solid waste law. In the area of transportation, the Council has continued to encourage the state to improve regional highways. The Council has worked in support of commuter air service to both the Berlin Airport and the Whitefield Regional Airport. The Council worked with the Railroad Division of the DPW&H to encourage the retention and improvement of rail service on the state-owned lines in our region and also to improve other important lines such as the Conway Branch line.

In the area of community development, the Council prepared four applications for community development assistance in 1981 with one, the development of a water supply for Whitefield, receiving full funding from HUD. The Council has been keeping up on the proposed regulations to the Small Cities Community Development Program so that communities in the North Country may benefit from the grant monies as they become available through this program.

In the area of housing, the Council has initiated a survey to determine the potential for rehabilitation of existing units in towns as an alternative to the traditional approach of building new housing units. There appears to be general support from the area selectmen for this type of moderately-priced housing project. Energy continues to be a very important project of the Council with NCC acting as a coordinator and clearinghouse for energy conservation and planning information.

During this past session, State Legislators requested our comments on certain bills such as the proposed enterprise zone and the amendments to the Industrial Development Authority legislation. NCC continues to be active in such groups as the National Association of Regional Councils, the NH Environmental Law Clinic, and New Hampshire Regional Planning Commissions, in order to bring valuable information and services to our communities.

The Council is a very cost-effective local organization, as was shown by a recent survey which showed that for every dollar that was appropriated by towns in 1980, almost six dollars in services were provided by the Council. As in the past, the Council's major emphasis will continue to be technical assistance and information on municipal planning and development for local governments, especially selectmen, planning boards, and other related groups. The Council staff is always available to meet with local officials to discuss projects and needs of the towns and ways in which NCC can provide assistance.

On behalf of the Council and its Board of Directors, we want to thank you for your support during the past year and hope that the Town will continue to use the services of NCC during 1982. Please feel free to contact either one of us or the Council staff in Franconia at 823-8108 or 823-5566.

Respectfully submitted,

HAROLD SANDERS
THELMA GIRARD
NCC Representatives

PROGRESS REPORT ON THE UPDATED LITTLETON TOWN HISTORY

JANUARY 15, 1982

About a year and a half ago the Littleton Board of Selectmen appointed a three member committee to go ahead and update the Town History. Good progress is reported in most of the diverse areas of research to produce pivotal information on which the History will be based.

It was in July 1980 that the Selectmen named the Misses Mary and Frances Heald and John H. (Jack) Colby to head up the effort to bring up to date the History from the 1905 publication. Although much preliminary work occurred in the following weeks, it was necessary to await the March 1981 Town Meeting for assurance that the project would be funded before the die could be cast to go ahead.

We are looking to publication of the History in 1984 to coincide with the 200th Anniversary of the granting of the Littleton Charter. Invitations were extended to all interested citizens to have a part in this community effort. Volunteers were found for 24 chairmen and committees plus special assignments such as Weather, Birds, Flowers and Ethnic Groups, and research got underway in earnest. I provided over 1,800 important events and dates of possible interest gleaned from the pages of the Courier. A microfilm reader-printer acquired by the Historical Society and based at the Public Library has proven to be invaluable with this project.

The original committee was augmented by several other citizens to form an executive committee, with 24 primary committees including: Public and Private Education; Agriculture; Hotels, Motels and Restaurants; Celebrations, Disasters and Memorable Events; Culture, Music, Art, Drama, etc.; Crafts; Manufacturing and Industry, including Banks; Medicine, including Hospitals, Doctors and Health Services; Municipal and Federal Governments; Samuel Moore Station and Reservoir, and Hydro-Plane Racing; Organizations and Clubs; Recreation and Conservation; Sports; Transportation, I-93, Airport, Communications; Retailing, including Chamber of Commerce; Religion, Churches, Cemeteries; Professions, including Lawyers, Veterinarians, Surveyors, Real Estate, Town Manager, CPA's; Photographic Collections; War Records, State Guard, National Guard, Observation Posts, Draft Boards, Rationing, Veterans, Honor Rolls, Gold Star Mothers; Well Known Personages; Builders, Contractors, Craftsmen; Historical Milestones and Anecdotes; Summary of First 121 Years Already Published; Fund-Raising.

It is hoped that the \$35,000 appropriated from Revenue Sharing to underwrite the project will be sufficiently added to by other monies from donations and grants so that the originally planned 600 pages can possibly be expanded to better accommodate the needs. We have been assured of a grant of \$1,500. from N.H. Charitable Fund on a matching 1-for-2 basis figured on contributions from Jan. 1981.

Eligibility will be assured. Meanwhile the Fund Raising Committee is having a good response to the special pre-sale of an individually numbered Special Edition at \$100. each (with the regular publication price of \$25.)

The committee has the benefit of the special expertise of one of New England's premier authorities on histories, Phoenix Publishing of Canaan, N.H., who will be the publishers.

We will be hard at work during the upcoming year as material is edited and prepared for the printers. This must be completed in June 1983 to meet the 1984 deadline.

I want to commend all individuals who have willingly given of their time with such a labor of love for one's hometown. The spirit of cooperation has been excellent, and hopefully where work remains to be done it can be completed early in the New Year, leaving only updating where required as the copy and editing proceeds.

There has been much expression of community spirit in carrying forward this volunteer project which has as a theme:...A Proud Past--A Promising Future... The First 200 Years for Littleton, N.H.... The Gem of the North Country--- 1 7 8 4--1 9 8 4.

Respectfully submitted,

JACK COLEY
Project Editor

LITTLETON AREA CHAMBER OF COMMERCE 1981 REPORT

The Littleton Chamber of Commerce and the area it serves has experienced a very successful year. We experienced a substantial increase in volunteer participation to implement this year's Program of Work. Through active participation, five retail promotions were successfully promoted (TGIF, SummerStreet '81, Sidewalk Sale, Moonlight Madness and the "Shop Littleton" Christmas campaign). All promotions received high grades from merchants and consumers alike. Through the success of each of these promotions, the Chamber continued to play a leadership role in projecting our area's image as the "Business Center of the White Mountains".

Area brochures were printed and distributed throughout New Hampshire entry points and tourist areas. They continue to be used as a major referral tool in directing visitors throughout the area.

This year through strong volunteer efforts, the Chamber successfully sponsored the July 4th celebration, the Roberts Bros. Circus, the 12th Annual Art Show and Festival, the foliage overflow placement network and the Santa Claus visit to Littleton. Productivity Programs/Seminars were also sponsored to assist area Business/Industry. A business consultant from the Small Business Development Program, through the University of New Hampshire, was made available at no charge to local businesses.

The obvious highlight this year was the 1981 N. H. Chrysler/Dodge International Regatta, featuring the Tender Corporation Grand National World Championship held at Moore Dam. Major sponsorships, a matching grant for advertising from the State of New Hampshire, and a very dedicated Executive Race Committee, produced a record crowd in an economically slow period between seasons. The success of this event, and those previously outlined have substantially contributed to the economy of the Littleton area and have helped to thrust us into the early stages of a revitalization. This positive approach is also due in part by a major role taken on by the Chamber's Business/Industrial Task Force and the tone that has been set in pursuing our area's economic development. The Board of Directors, in looking forward, are very optimistic regarding our area's prosperity. In view of the completion of I-93, coupled with the current interests already established here, the Board of Directors unanimously voted in favor of zoning for the town.

The "track record" of any organization is measured by its accomplishments. In 1981, the Chamber was able to accomplish all of its major programs. The successful completion of these programs is greatly due to the leadership of President, Harold Sanders and the thorough commitment of the Board of Directors.

The Littleton Area Chamber of Commerce is your Chamber of Commerce. It is a tool. By working with it, the cultivation of our economic prosperity is limitless. The Chamber of Commerce as a non-profit organization relies almost entirely on volunteer work. For this reason, your participation and input (financially and in time) is essential to insure the future success of its programs in promoting our area prosperity.

Respectfully submitted,

James W. Powers
Executive Director
